General Body Meeting

October 6th 2016

Our Mission

“The MIT IEEE/ACM Club represents the student branch for two professional international organizations, the Institute of Electrical and Electronics Engineers (IEEE) and the Association for Computing Machinery (ACM). Our mission is to *create and support a tight-knit community* among the students, mainly undergraduates, and faculty in the Department of Electrical Engineering and Computer Science (EECS) at MIT. We plan and host a variety of events and activities that address key academic, social and career-oriented interests of the student body.”

Current Programs

- Faculty Dinners
- Social Hours
- 6# (Six Sharp)
- Peer Counseling
- MIT Can Talk
- URGE (Undergraduate Reading Groups in Engineering)
- Undergraduate Conference Committee
- Voltage
- 6-7 Students Association

Faculty Dinners:

Monthly small group dinners featuring a Course 6 professor and 10-20 undergraduates to strengthen the student-faculty bond.

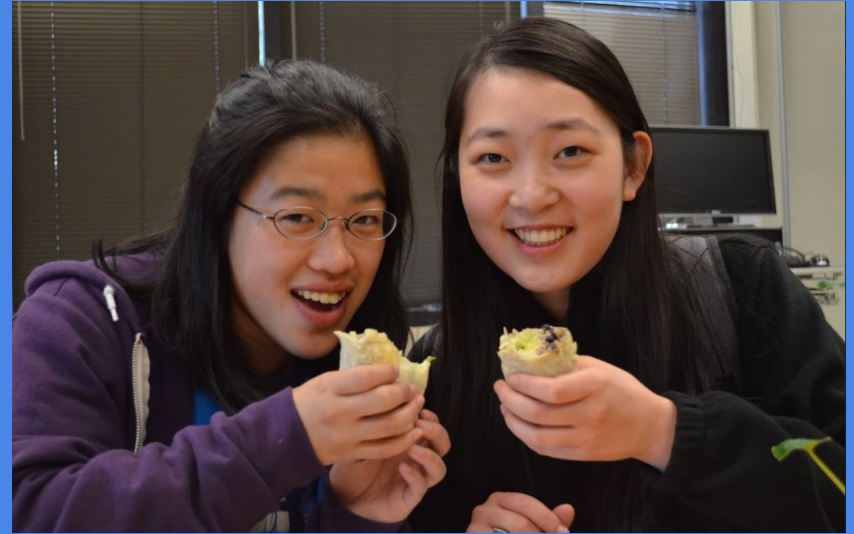

Past Attendees:

- Prof. Steven Leeb
- Prof. Gerry Sussman

- Prof. Polina Golland
- Prof. Frans Kaashoek

Study Hours

Frequent study breaks for undergraduates in the EECS lounge.

6# (Six Sharp)

Provide coaching and space for undergraduates who want to gain practice in technical interviews

Peer Counseling

Partnership between Course 6 administration, IEEE/ACM and HKN to host:

- Student Panels
- AUS Lightning Panel
- New Curriculum Talks

MIT Can Talk

- IAP Speaking Workshops & Public Speaking Competition
- Led by Prof. Tony Eng
- Goal: Promote campus-wide awareness of good oral communication skills.

URGE (Undergraduate Reading Groups in Engineering)

Weekly technical paper reading groups on specialized subjects (i.e. Machine Learning) for undergraduate students.

IEEE Undergraduate Conference Committee

Organize annual IEEE international undergraduate technical research conference at MIT for Fall 2016.
